Discussion with referees regarding calls or the application of rules is permitted only during shift changes, half time, or during a coach's time out. Our referees are young and still learning their trade and this must be considered by coaches. Discussions with opposing coaches and referees alike, are required to be <b>respectful and non-threatening</b> . <b>Do not expect referees to reverse calls when challenged (even if they are at fault)</b> . Constructive criticism, suggestions and positive feedback from coaches is invaluable in helping our referees learn and progress, ranting and raving is not!				
<b>Coaches are responsible for controlling the behavior of their team players AND supporters (parents).</b>
